

# Goldthorn News

Dear Parents and Carers,

We hope our newsletter finds you all well. Firstly, thank you to those parents who joined us on remote consultation meetings. We do miss face to face meetings with you, but hopefully by now, everyone will have met with their child's teacher and will be informed of exactly where their child is and how they can support learning over the coming weeks ahead. Please, if you have not met with your child's class teacher on TEAMS do get in touch and we will arrange this for you. We have had a busy learning week as teachers are continuing to ensure pupils are working hard. We have had our Trust annual review too this half term where Trust Leaders and the CEO visited for two days, observed teaching and learning, met with school leaders and spoke to children. They were very pleased with all our school improvements both on our site and particularly with teaching and learning. This is great news and we will continue this journey to make Goldthorn Park the best place for children to learn.

Best wishes,

Mrs Hemmings and Mrs Purshouse

Happy Eid al-Fitr to all our families that celebrate this special time. We have had a lovely day in school learning about Eid and why it is celebrated by Muslims around the world. Miss Khawar began the day with an informative assembly and then along with Mrs Ebrahim, treated staff to lovely samosas. Thank you! Here are some photos of our day.
