

Goldthorn News

Dear Parents and Carers,

Hopefully you will have received or will be about to receive, your child's Sports Events newsletter. All year groups had a great time racing in their bubbles and completing events coordinated by Mr Holmes and our Soccer 2000 team. Let's hope that next year we can enjoy these events together. To update you all year groups are still busy learning and making sure that pupils are ready for their new class in September.

Thank you as always for your support wearing face masks on site and using the one-way system, especially as the Delta variant is increasing in Wolverhampton.

☺ keepsafe everyone!

Happy weekend! .

School Council News!

The school council are having an exercise book and paper sale next week on Tuesday 6th July. They are raising funds to give our Year 6 pupils a great send off, so please bring your pocket money to buy books and paper to support this cause.

Year 6 go to

Laches Wood

On Wednesday, Year 6 visited Laches Wood Activity Centre. We were all a bit anxious as it was our first school trip for a long time. During the day, we completed four activities. The Team Building Activity was fantastic at getting us to communicate and work as a unit. Meanwhile, the archery used real bows and arrows and it was amazing to see how accurate some of the children were. Snezana was particularly accurate. The High Drop only required the children to step off a platform while attached to a harness. However, this was over 20 m up in the air! Finally, the children climbed past various obstacles while attached to a rope. It was amazing to see how fast some of the girls and boys became at this. It was also great to see how determined the children were to get to the very top.

It was an amazing day and we all slept very soundly on Wednesday night.
