

Dear parents and carers,

While we weren't able to have a Sports Day with parents in attendance, we did manage to have a wonderful afternoon. The weather, just like for our trip to Laches Wood, was kind to us and we had a fun-filled afternoon competing in different events such as a hockey race and throwing the javelin. Everyone did their best and, win or lose, we were 'good sports'. We hope that you like the photos of us having our very last Primary School Sports Day at Goldthorn Park.

Mr Rawlinson, Mr Pryce & Mrs Jones
